PRODUCT SPECIFICATION SHEET

ECOCROSS 15kW Solar Inverter (TP)

Model: EC-15000D-48V | Series: ECOCROSS Series

Description

Heavy commercial 15kW three-phase solar inverter capable of driving up to 30kW in solar panels with robust three-phase grid synchronism.

Verified specifications

- Rated Power: 15.0 kW Three Phase
- PV Input Capacity: 30.0 kW
- Protection Rating: IP65 Outdoor Ready
- Official Warranty: 5 Years

Key verified data

Model Number: EC-15000D-48V

Brand: ECOCROSS

Rated Power: 15.0 kW (15000W)

Nominal DC Voltage: 48V DC

Max Solar PV Input: 30.0 kW

Ingress Protection: IP65 (Outdoor Rated)
